

Special Events: R.S.V.P. by Noon

MOTHERHOOD **(2009) COMEDY - AUGUST 1ST**

Rated: PG-13 - Financially strapped Eliza Welch (Uma Thurman) wants to throw her 6-year-old daughter a great birthday party, but all of Manhattan, her goofy dog, and her 2-year-old dynamo of a son seem to be conspiring against her. Besides the pressure of the party, Eliza must battle an invasive film crew, fend off a flirtatious messenger boy and keep up appearances at the playground. Katherine Dieckmann directs; Minnie Driver and Anthony Edwards co-star.

27 DRESSES **(2007) COMEDY - AUGUST 7TH & 8TH**

Rated: PG-13 - Tired of being a perpetual bridesmaid after helping 27 friends tie the knot, altruistic Jane (Katherine Heigl) finds herself facing her worst nightmare as her younger sister (Malin Akerman) announces her engagement to the man Jane secretly adores. But when Jane meets the charming Kevin (James Marsden), will she beat her sibling to the altar? Edward Burns and Judy Greer also star in this breezy romantic comedy from director Anne Fletcher.

GHOSTS OF GIRLFRIENDS PAST **(2009) ROMANTIC COMEDY - AUGUST 14TH & 15TH**

Rated: PG-13 - When he attends his younger brother's wedding, playboy Connor (Matthew McConaughey) is troubled to discover that the ghosts of his many girlfriends have come to give him a piece of their mind and teach him a thing or two about true love. As the apparitions visit him, he rediscovers old feelings for the first love of his life. Mark Waters directs this delightful romantic comedy also starring Jennifer Garner and Michael Douglas.

DEL REY & THE SUN KINGS **(2009) FOREIGN SILENT FILM - AUGUST 21ST & 22ND**

Rated: NR - Musician Jackson Del Rey takes the classic Sergei Eisenstein film Battleship Potemkin and reinvents it for the modern age by creating a brand-new soundtrack and infusing it with his own brand of magic. The result: A historic film that feels as current as any modern-day oeuvre. Tracks include "Drama in the Harbor," "All for One and One for All: The Rebellion Begins," "Squadron Sighted: Prepare for Action" and more.

MY SASSY GIRL **(2008) ROMANCE FILM - AUGUST 28TH & 29TH**

Rated: PG-13 - After shy Midwesterner Charlie Bellow (Jesse Bradford) saves the wild Jordan Roark (Elisha Cuthbert) from falling to her death, he gets an instant vacation from his risk-averse, surprise-free lifestyle when the carefree beauty woos him. Jordan puts Charlie through the emotional ringer, until a dark secret from her past threatens to crush their courtship, in this charming romantic comedy -- a remake of the South Korean hit of the same name.
